How much is the Kuwait tender market worth?
The Kuwait tender market is estimated to be worth over KD 30 billion (USD 95 billion) per year. The government is a major purchaser of goods and services,and there are a large number of tenders published each year. Bidding for tenders in Kuwait is extremely lucrative for companies of all sizes.
What are the benefits of bidding on Kuwait tenders?
A few of the benefits of bidding on Kuwait tenders are - Increased use of e-tendering: The government is increasingly using e-tendering to make the procurement process more efficient and transparent. Greater focus on sustainability: The government is paying more attention to sustainability factors in its procurement decisions.
What are the laws governing government procurement in Kuwait?
Law No. 14/2016 on Public Tenders and Auctions:This law is the primary legal framework for government procurement in Kuwait. It establishes the CTC and outlines the tendering process. Law No. 10/2007 on Supporting Local Products: This law mandates that government agencies give a 10% price preference to Kuwaiti products and services.
