Is a solar inverter a good alternative to power holding company of Zambia?

In a country like Zambia where electricity supply is less than adequate and the weather doesn't help matters too, a solar inverter is more than necessary. It is not just a great alternative to the Power Holding Company of Zambia, it is actually a better and cheaper alternative considering the circumstances. Several factors are adduced for this.

Where can I buy solar inverters in South Africa?

We at Full Circle Solar, offer a wide range of Solar Inverters for sale in South Africa, as well as inverter installation options if required. Our inverter models include popular brands such as Voltronic, Infinisolar, Axpert, Sunsynk and much more.

What are the different types of solar inverters?

There are three main types of solar inverters that you should know about. Stand-alone Inverters - these ones are used in isolation. Here, the inverter gets its power from batteries which are in turn charged by photovoltaic rays.

What is a solar inverter?

As stated earlier, a solar Inverter consists of a number of solar panels, electrical cable, batteries and the inverter compartment. The panels are often overlaid on the roof of the house for easy access to sun rays.
