?Latest project Project name: 15kW Off-grid Solar System in Zimbabwe Location: Mutare, Zimbabwe
Completion date: February 25, 2025 Products: JA 625W solar panel, 25pcs; ...

We provided a custom-designed 65kW off-grid solar system, a powerful solar solution to their energy challenges. The factory now enjoys a stable and consistent power ...

The Airports Company of Zimbabwe (ACZ) is installing airport solar farms to power operations and support the national grid. Learn about this key step in sustainable aviation.

Powered by dedicated solar arrays, these systems may continuously improve air quality within a 5-kilometer radius of the airport. ...

THE Airports Company of Zimbabwe (ACZ) is stepping up efforts towards transforming the country's international airports to become ...

The Airports Company of Zimbabwe (ACZ) is finalising a plan to install solar power plants at major airports in the country as part of a broad strategy that is meant to reduce ...

The Intech Energy Container is a fully autonomous power system developed by Intech to provide electricity in off-grid locations. Each container is equipped with a photovoltaic array, a battery ...

THE Airports Company of Zimbabwe (ACZ) is stepping up efforts towards transforming the country's international airports to become smart and green with plans to ...
