-----

Guyana's landmark Gas-to-Energy project reached a critical milestone with the arrival of a 30-MW backup battery energy storage system (BESS) at Georgetown's John ...

Guyana Power and Light (GPL) is advancing clean energy with new solar PV projects and battery storage, set to benefit 70,000 people and reduce costs.

We exclusively offer high-performance lithium batteries for maximum efficiency, fast charging, and long-lasting storage. Perfect for Guyana's energy needs, our lithium solutions provide reliable ...

The BESS forms a critical part of the power plant's emergency support system and is engineered to ensure uninterrupted energy delivery in the event of turbine failure. The ...

June 23, 2022: Guyana is to develop eight utility-scale solar and battery storage projects in the South American country with investment financing worth around \$83 million, the Inter ...

The BESS forms a critical part of the power plant's emergency support system and is engineered to ensure uninterrupted energy delivery ...

We exclusively offer high-performance lithium batteries for maximum efficiency, fast charging, and long-lasting storage. Perfect for Guyana's ...

The project is widely viewed as transformational for Guyana, which currently relies heavily on imported HFO to meet its electricity needs. The switch to domestically sourced ...

Guyana Power and Light has launched a tender for an EPC contractor to build three solar plants in Guyana

with a combined 15 MWp capacity and 22 MWh of battery storage.

The road ahead isn't without potholes--battery recycling infrastructure needs development, and cybersecurity for smart systems remains crucial. But with 47% projected market growth ...

Welcome to Guyana, a nation swapping its "oil boom" narrative for a cleaner energy script. With global lithium-ion battery markets projected to hit \$130 billion by 2030 [1], this ...

Guyana has unveiled a new 0.65 MW grid-forming solar project, paired with a 1,500 kWh battery energy storage system (BESS) and a 13.8 kV transmission line.
