The platform announced today that it has been awarded long-term government contracts for five battery energy storage system (BESS) ...

"CHC is pleased with the Platform's success in the latest Auction round, which highlights the value we bring to Stonepeak as a trusted partner and reinforces CHC's ...

The platform announced today that it has been awarded long-term government contracts for five battery energy storage system (BESS) projects under Japan's Long-term Decarbonization ...

Under this partnership, PowerX will leverage its domestic manufacturing capabilities to supply its containerized stationary battery storage system, Mega Power, to each ...

In the Kanto area, responding to fluctuations in the output of renewable energy, which is expected to be further introduced in the future, is an ...

In the Kanto area, responding to fluctuations in the output of renewable energy, which is expected to be further introduced in the future, is an issue, and many adjustment capabilities, including ...

Particularly in the grid-scale battery business, we plan to accumulate expertise and enhance our business execution capabilities by working on self-developed projects, centered on extra-high ...

Tokyo Century will invest in four wholly-owned extra high-voltage grid-scale battery storage projects totaling 101MW/386.3MWh, the company announced on December 12, 2025.
