Join the Sunhub community, your one-stop shop for all things solar. Buy, Sell & Trade solar panel equipment. Got Question? Call us. Sign up to stay updated on new products, prices and solar specials! Copyright © 2025 Sunhub. All Rights Reserved.

How do you sell solar equipment?

Network with other solar companies and fulfill your clients' solar equipment needs. Connect with new buyers and position your brand to gain a competitive advantage. Sell unused solar panels or equipment, and get the best bulk deals for upcoming projects. Get the best solar equipment prices, and locate hard-to-find replacement parts.

Should you sell solar panels?

Solar panel sales have grown significantly in recent years due to the increase in public awareness of the environmental and economic benefits of solar energy. If you are selling solar panels, there are a few things you need to keep in mind to be successful:

How can digital marketing help a solar business grow?

By effectively communicating the benefits of solar offerings, businesses not only grow their customer base but also stimulate demand for clean energy solutions. Digital media and other marketing channels serve as powerful tools for expanding the reach of solar businesses.

Need to buy used solar inverters for a commercial project or equipment replacement? We supply reliable, tested inverters from decommissioned solar farms and large-scale systems.

Discover ways to monetize old solar inverters. Explore options for resale, recycling, or repurposing to maximize value.
