-----

The Research Institute for the Development of Chemical Industries at the Academic Jihad Organization (Jahad-e-Daneshgahi) has successfully designed and produced ...

This section provides an overview for supercapacitors as well as their applications and principles. Also, please take a look at the list of 19 supercapacitor manufacturers and their company ...

The design, modeling and construction of a high-performance nanostructured supercapacitor is a research project by Shahram Qassemi-Mir, a faculty member of the ...

TEHRAN (ANA)- Iranian scientists succeeded in designing and manufacturing a home-made electrochemical supercapacitor, making the country the fifth state in possession of ...

The Iran Supercapacitor market is experiencing rapid growth fueled by advancements in energy storage technologies, the demand for high-power and fast-charging solutions, and the ...

Compared to conventional batteries, they can release energy in a much shorter time. Referring to Iran's development plans for electric vehicles and advanced industries, ...

The head of the Chemical Industries Research Group at the ACECR announced that the academic center has successfully designed and built an indigenous electrochemical ...

TEHRAN, Aug. 11 (MNA) - Researchers in an Iranian company have designed and manufactured an electrochemical supercapacitor, putting Iran on the list of five countries that produce such ...

WANA (Aug 10) - Iran has successfully designed and manufactured an indigenous industrial supercapacitor,

joining the ranks of the five nations possessing this advanced technology.

SAEDNEWS: Researchers in an Iranian company have designed and manufactured an electrochemical supercapacitor, putting Iran on the list of five countries that ...
