How much does a 20 foot container cost?

Currently in 2024, used 20-foot standard containers can start as low as \$1,300, but can cost as much as \$1,800 in markets where supply is scarce. New, One-trip, 20-foot container prices are anywhere from \$2,400 to \$2,700, depending on availability. During container shortages, you may see prices more than double those averages in many markets.

What is a 20 ft open side shipping container?

The 20-foot Open Side shipping container gives you multiple access points through standard double doors at one end or four (4) bifold doors on one side. Most NEW 20-foot standard containers include exterior lock boxes. *Total opening size at one end (double doors). Learn more about NEW shipping containers.

What is a 20ft container used for?

Unlike used containers, 20ft new containers can be immediately used for shipping, stacking, building, and much more. Looking for a more affordable container for static storage purposes? We recommend purchasing a 20ft used shipping container instead. Boxhub is the largest online container marketplace in the United States and Canada.
