Renewable Nepal Alternative Energy Pvt. Ltd has been working in manufacturing, assembling and system integration of solar power ...

Nuwakot Solar Power Station is located at Nuwakot District of Nepal. It is the largest solar power plant of Nepal. The plant is owned by Nepal Electricity Authority (NEA). The solar panels are installed in six locations within the premises of Devighat Hydropower Station which is also owned by the NEA. Energy generated by the project is connected to the 66 kV sub-station of Devighat Hydropower Station. The solar station generates energy only during the daytime.
