-----

In this whitepaper, THIELMANN engineers have examined the mechanical characteristics of both two and three-welded seam containers to determine overall product integrity.

FRP tanks & vessels have excellent corrosion resistance and can be used to store hydrochloric acid, sulfuric acid, sodium hydroxide, methanol, vegetable oil and other corrosive media. In ...

Our Nestable A Frame Security Roll Containers are crafted from steel that has been carefully selected for its resistance to rust and corrosion. The steel has a certain composition that ...

The 48"L x 44-1/2"W x 34"H Global Industrial(TM) Folding Bulk Shipping Container is designed to securely hold & ship product, then collapse to half less than half its height to reduce return ...

Folding Frame Tanks are ideal for oil spill maintenance or chemical, fuel, waste and water storage. Each folding frame tank is made of PVC and steel or aluminum for ...

Corrosion-Resistant Coatings: Protect against rust for long-term storage. Heat-Resistant Coatings: Useful for containers that will be exposed to high temperatures.

It is made of injection molded plastic to provide strength, and impact & corrosion resistance. The base is reinforced with ...

Our collapsible large box maximizes storage and shipping efficiency for bulky auto parts like bumpers and panels. The stackable design slashes costs, while rugged HDPE material keeps ...

It is made of injection molded plastic to provide strength, and impact & corrosion resistance. The base is

reinforced with an I-beam to improve its strength by up to 40% versus standard folding ...

In this whitepaper, THIELMANN engineers have examined the mechanical characteristics of both two and three-welded seam containers to ...

Folding Frame Tanks are ideal for oil spill maintenance or chemical, fuel, waste and water storage. Each folding frame tank is made of PVC and steel or aluminum for lasting durability ...

Corrosion-Resistant Coatings: Protect against rust for long-term storage. Heat-Resistant Coatings: Useful for containers that will be ...
