Ditto, and to (2) you could add "I won't be in next week". In fact, you could take a week off trying to decide which one to use . They are all in the same register, and for normal ...

It's not too common though. The two most common formulations are: I get off work at 5. and I get off of work at 5. At least where I live, "get off from" is used, but not as ...

The biggest factor is how much energy you need. Generally speaking; small off-grid systems can range from \$10,000 to \$25,000, most family homes usually range from \$30,000 to \$45,000, ...

Buy or hire Portable Power Shipping Container in Australia. New & used, fast delivery, top prices. Get a free quote today.

"The company wants to dispose off the equipment." Is this sentence correct. I am confused whether it is dispose of or dispose off as I see a lot of sentences that use dispose off.

Hello everyone, I learned that the phrasal verb "to cut someone off" can be used meaning "to stop having a close or friendly relationship with someone". My question is: Was ...

Hello everyone! In a meeting I have heard people say "I need to drop off the meeting" and "I need to drop off to another meeting", and I wonder if the use of drop off is ...

Containerised off-grid power systems designed and built in Australia for farms, mining, remote resorts and communities. Reliable, scalable, pre-wired and factory-tested.

Discover the ultimate guide to off-grid solar system costs in Australia. Find the perfect system for your needs
