KOROR, Palau (July 10, 2025) -- Australia has pledged \$16.4 million to support the next phase of Palau's transition to renewable energy, with ...

This project, financed by the Australian Infrastructure Financing Facility for the Pacific, has reduced carbon emissions from diesel generators and supported Palau in ...

The Federal Government has committed \$16.4 million to upgrade Palau's electricity network, enhancing grid reliability and ...

Palau's two storage projects demonstrate how modern energy systems can transform island economies. By combining solar optimization with smart storage, communities achieve both ...

Palau's ambitious renewable energy transition relies heavily on innovative energy storage solutions. This article explores how advanced battery storage systems are transforming the ...

The Federal Government has committed \$16.4 million to upgrade Palau's electricity network, enhancing grid reliability and supporting a shift toward renewable energy. The ...

Located on Palau's largest island, Babeldaob, the project comprised of a 15.28-megawatt peak capacity solar photovoltaic facility and a 12.9-megawatt hour battery energy storage system.

The USD 29 million project, jointly owned by SPEC and its listed parent Alternergy, will meet more than 20% of Palau's energy needs. SPEC was awarded a long-term power ...

Philippine renewable energy firm Alternergy and its subsidiary Solar Pacific Energy Corporation (SPEC) have recently launched the Republic of Palau's first solar and battery energy storage ...

Additional generation and storage projects are already underway or being planned, including additional utility-scale BESS and substantial customer-sited rooftop PV rollouts.

KOROR, Palau (July 10, 2025) -- Australia has pledged \$16.4 million to support the next phase of Palau's transition to renewable energy, with funds designated to secure a battery energy ...

The investment will enable up to 25 per cent of Palau's total electricity demand to be provided from renewable energy. This project reduces Palau's reliance on imported diesel, lowers ...
