Where can I buy a used shipping container?

At US Conex, we offer a wide range of new and used shipping containers for sale. We maintain depots in 30+ U.S. cities to deliver inspected, grade-A used containers and new containers within 10 business days.

How much do shipping containers cost?

There are several options available: Cargo-worthy 20ft dry containers. Prices range from \$500 to \$3,000. Cargo-worthy 40ft dry containers. Expect to pay between \$1,000 and \$3,500. 40ft high cube (HC) cargo-worthy containers. Shell out between \$1,500 and \$4,000. The condition of the container greatly influences how much shipping containers cost.

What are the different types of container sizes?

However, these durable containers have grown in popularity for a variety of uses beyond shipping, such as storage, construction, and even as living spaces. They come in various sizes, from 10ft to 40ft, with the most common being 20ft and 40ft standard containers (which is what we at Used Conex offer).

Are new shipping containers more expensive than used?

New containers are typically more expensive as they are in perfect condition and ready for long-term use. Used containers are less costly but have some wear and tear. Shipping container sizes and prices are directly linked to each other. The price also depends on how well the container has been maintained over time.
