rapidly changing net load profile require clean, fast-ramping peak power solutions that ...

Our 20 and 40 foot shipping containers are outfitted with roof mounted solar power on the outside, and on the inside, a rugged inverter with power ready battery bank.

Discover our range of innovative solar panels on shipping container products engineered to meet your renewable energy needs with maximum efficiency and reliability.

Eland 1 & 2, a 758-megawatt (MW) solar farm with a 300 MW/1,200 MWh battery storage system, is now online in Mojave, California.
