Should foreign tenderers participate in public procurement tenders in Türkiye?

Given Türkiye's dense population, demand for infrastructure, the possibility of technology transfer and similar, the Turkish public procurement market looks promising for foreign tenderers. It is important for foreign tenderers that wish to participate in public procurement tenders in Türkiye to:

Where can I find information about government procurement in Turkey?

The primary official source for Turkey government procurement is the Public Procurement Authority (PPA). The PPA provides information on all government tenders, including tender announcements, tender documents, and award notices. Additionally, the Ministry of Finance provides information on government procurement policies and procedures.

What laws regulate public procurement in Türkiye?

The Public Procurement Law 4734 and the Public Procurement Contracts Law 4735 set out the main legal rules regulating public procurement in Türkiye. There are also: a regulation on electronic public procurement. 1.2 Do any special regimes apply in specific sectors (eg, utilities, defence)?

Why are Turkish public procurement tenders excluded from evaluation?

Evaluation of tenders subject to Turkish public procurement legislation must be based on the "most economically advantageous tender" and not on the "lowest price". For this reason, tenders that do not reflect real market prices are excluded from evaluation.
