Does China have an anti-dumping duty on solar glass?

By Implementing Regulation (EU) No 470/2014 (5) ('the original anti-dumping regulation'), the Commission imposed a definitive anti-dumping duty on imports of solar glass originating in the People's Republic of China.

Why is anti-dumping duty on solar glass a problem?

Developers face additional costs due to duties on raw materials, along with ambiguity over regulatory approval for claims under "change in law." Anti-dumping duty on solar glass imports from China and Vietnam worries developers, impacting project costs and viability.

Will India impose anti-dumping duty on textured tempered glass?

(Representational Image/Reuters) India's trade defense body, the directorate general of trade remedies (DGTR), has recommended an anti-dumping duty on imports of textured tempered glass from China and Vietnam, a key component of solar panels. The DGTR has proposed that the duty be imposed for five years.
